very easy!

For  
mitten:

Place on  
a 9½" sq. of  
white or "snow"  
print fabric.

Use any fabric you want  
including fleece + ultrasuede.

Embellish with a button,  
buckle or fake fur.

← overcast edges

← add trim here

Have fun - make many!

How many times  
have we come across  
a lost mitten (or glove)  
in the snow? Maybe we  
have placed it on a fence  
or bush... hoping it will be  
re-united with its mate!  
This is dedicated to all those  
lost mittens.
