

QUILTER'S

**STRIP TICKET**

**Yardage Tables - Bias Tube Construction**

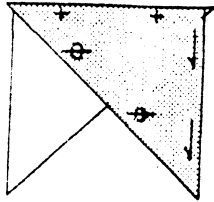

On fabric back, mark as shown.

Cut on dash lines.

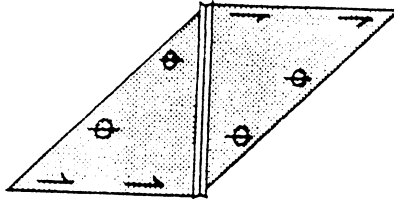

1.

Right sides together, sew on ++ edges, 1/4" seam allowance.

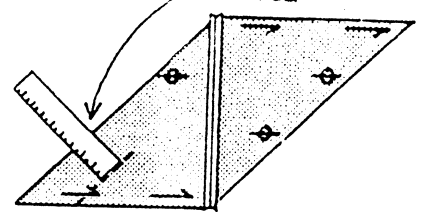

2.

Press seam open.

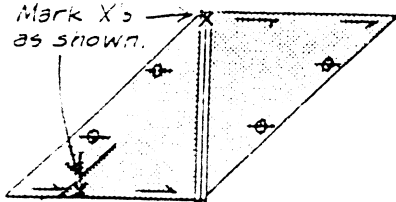

3.

Position as shown, mark strip width wanted.

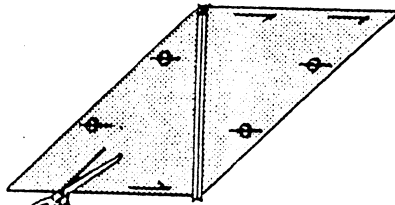

4.

Mark X's as shown.

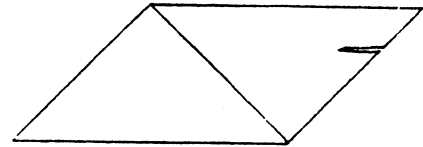

Draw line up 5.

Cut up 5-6"

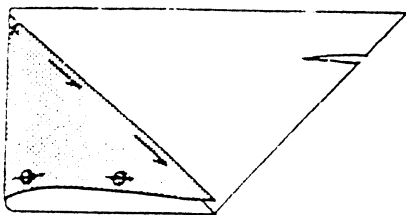

6.

Position as shown, face up.

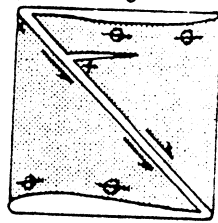

7.

Fold in left side.

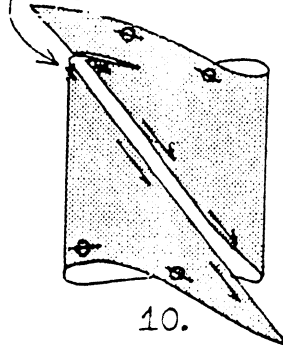

8.

Fold in right side.

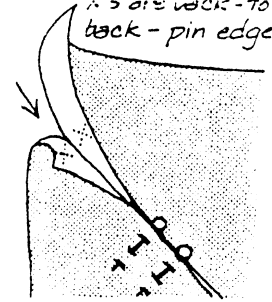

9.

Align X's.

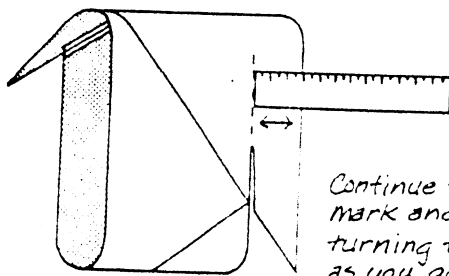

10.

Pull up edges so X's are back-to-back - pin edges.

11.

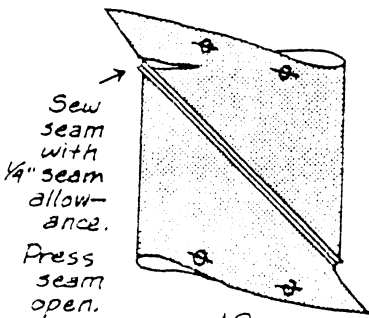

Turn right side out.

13.

Continue to mark and cut, turning tube as you go.

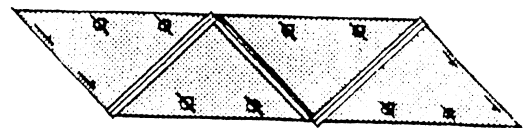

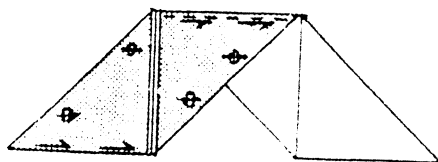

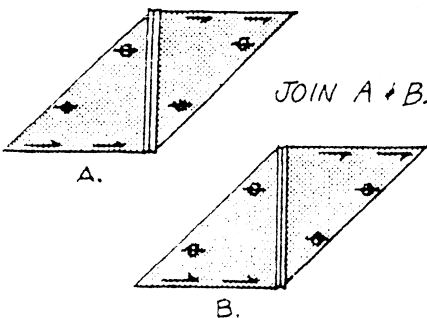

Tables show no larger than 43" square. You can double any length shown by making two identical squares. Follow figures 1, 2 and 3, marking squares identically! SEE A, B.

12.

JOIN A + B.

Right sides together, sew 1/4" seam.

Press seams open

Then continue with Figure 4, for construction.

For total Length, measure around all sides of piece, add 6" for end connection. Find table for your width bias. **Bold** number gives size square needed, including seam allowance, for Bias Tube.
